*A massive son of Unleashed from the amazing Harmony 56C that is a featured donor in this sale, this is the full brother to Lot 73. He is a massive-backed, husky-ribbed bull with excellent foot size, strong bone, and the look of a cow maker and power increaser. This is the same cow family that brought us TJSC End Game. A full sister is Lot 73 and embryos from their dam sell in Lot 203.*
